**Chelsey Norton** is an Assistant Planner with Mintier & Associates. She specializes in land use and environmental planning, housing issues, GIS, and other computer applications. Ms. Norton has worked on general plan updates for the cities of West Sacramento, Fortuna, and Merced County, as well as the housing elements for Placer County and the City of South Lake Tahoe.

Prior to working for Mintier & Associates, Ms. Norton was a Planning Intern for the Town of Danby, New York where she trained the zoning department in the applications of GIS and guided the planning board in the strategic planning process. She has also worked as a GIS Intern for the Tompkins County Planning Department of Ithaca, New York, a Graduate Assistant for the Department of City and Regional Planning at Cornell University, and a Research Assistant for the Cambridge Community Partnership's Freight Yard Revitalization Project in Cambridge, New York.
